## Head Coach John Jarnagin

John Jarnagin enters his ninth season as Morehead State's head baseball coach.

The 45-year-old Jarnagin spent 10 seasons as head baseball coach at Shelby State Community College in Memphis, Tenn., prior to taking over the Eagle baseball program.

A native of San Diego, Calif., Jarnagin attended James Madison High School in San Diego. He played one season at San Diego City College, then was a two-year letterman at Liberty University.

His first coaching job was a three-year stint as an assistant at Middle Tennessee (1982-84). He served on

the staff at Trevecca Nazarene College in Nashville in 1985 and began his tenure at Shelby State in 1986, where his 10-year record was 253-243-6. He was TJCAA Western Division Coach of the Year in 1988 and TJCAA Coach of the Year and Tennessee Baseball Coaches Association Coach of the Year in 1992.

Jarnagin was inducted into Shelby State's (now Southwest Tennessee CC) Athletic Hall of Fame in January.

He earned a bachelor's degree from Liberty in 1981 and a master's degree from Middle Tennessee in 1984.

An active member of the Fellowship of Christian Athletes, Jarnagin is married to the former Donna Lynn Rowzee of Memphis. They have a daughter, Sarah Beth and a son, Micah.

## Assistant Coaches

### Robert Taylor

Robert Taylor is in his second season as an assistant baseball coach at Morehead State.

A native of Pikeville, Ky., Taylor is a graduate of Johns Creek High School. He earned a bachelor's degree from Pikeville

College and is working toward a master's degree in exercise physiology at MSU.

He coached Pike Central High School to two district championships and two regional finals. His seven-year record was 149-81. He was an assistant coach on Paintsville High School's 2001 regional championship team. Taylor also served on the baseball staff at Transylvania University.

Following a three-year collegiate career at Pikeville, he played one season of professional baseball in the Frontier League.

Taylor is married to the former Paige Blair of Pikeville. They have a son, Shane.

He will again work with the Eagle pitchers and serve as recruiting coordinator.

### Ryan Schmalz

Ryan Schmalz is in his first season as an assistant baseball coach at Morehead State.

A native of Olathe, Col., Schmalz is a 2003 graduate of Olivet Nazarene University. As a collegiate infielder, he played in

two NAIA World Series.

He is married to the former Rebecca Geasa and is working toward a master's degree in sports administration at MSU.

### Adam Roberts

Adam Roberts is in his first season as an assistant baseball coach at Morehead State.

A native of Morehead, Ky., he is married to the former Leslie Wood of Morehead. They have a son, Andrew

Roberts was a standout infielder for Rowan County Senior High School and is working on a bachelor's degree in Computer Information Systems at MSU.

# President Eaglin

## Dr. Ronald G. Eaglin President

Dr. Ronald G. Eaglin, an outspoken proponent of student success strategies in college administration, has served since July 1, 1992, as the 12th president of Morehead State University in Morehead, Ky.

A native of St. Louis, Mo., President Eaglin came to Kentucky from the chancellorship of Coastal Carolina University in Conway, S.C. Previously, he was vice chancellor for academic affairs at the University of South Carolina at Spartanburg. Earlier, he was the southeast regional director of the American College Testing Program (ACT).

A former chair of Kentucky's Conference of University Presidents, Dr. Eaglin holds a bachelor's degree in biology and mathematics from Southeast Missouri State University, a master's degree in student personnel administration from Southern Illinois University and a doctoral degree in education psychology from the University of Utah.

President Eaglin's expertise in student retention recently was highlighted in a research report he wrote for the American Association of State Colleges and University (AASCU) on the role of campus chief executives in helping students be successful in college. Dr. Eaglin initiated a study of the teacher education program on the MSU campus that led to a review and improvement of the University's program. In addition, he was involved in the formation of a "P-16+ Regional Council" bringing together representatives from the public and private colleges in the area, school superintendents, local government leaders, members of state agencies and CEO's of regional businesses and industry, which is based at MSU.

The University's CEO has made presentations across the country on student retention and the role of the President in accomplishing this goal. Involved with numerous publications on this topic, he edited the book "Five Habits of Successful Students" published by the International Organization for Student Success.

Dr. Eaglin was a member of the AASCU Board of Directors and had the distinction of representing two different institutions on the NCAA Presidents Commission. He currently serves on the NCAA Executive Committee. His consulting work in student personnel and academic matters has taken him in recent years to Cyprus, China and Ireland, and to numerous campuses across this country.

President Eaglin is active in economic development matters in East Kentucky, serving presently by appointment of former Gov. Paul Patton on the Kentucky Appalachian Commission and Education Pays Task Force. He is a member of the Board of Directors of the Morehead-Rowan County Chamber of Commerce.

Dr. Eaglin and his wife, Bonnie, have four adult children and five grandchildren.

## Chip Smith Director of Athletics

Chip Smith enters his second year as the Director of Athletics at Morehead State University. The former Director of Athletics at Eastern Kentucky, he became the eighth Director of Athletics at MSU in August of 2002.

A highly-organized professional with extensive knowledge in NCAA Division I athletic programs, Smith has nearly 20 years experience in athletics administration with a background in the internal and external workings of intercollegiate athletics, including development, compliance, alumni relations, trademark licensing, marketing and sponsorships, personnel management, support services and financial operations. He is responsible for the leadership, management and supervision of the University's 17 NCAA Division I programs. Smith also recognizes the importance of building strong relationships within the University, with the community and among MSU alumni, and has made a commitment to providing a quality, academically-oriented athletics program for the University.

Prior to Morehead State, Smith was hired as Associate Athletic Director at ECU by current University of Pittsburgh AD Jeff Long and was later named director of the program in 2001. As Director of Athletics, Smith supervised the administrative and coaching staffs and created the position of assistant compliance coordinator. In restructuring the department, he initiated the position of assistant athletic director for development to strengthen relations with former student-athlete and enhance fundraising efforts. He also initiated the Coaches Council to improve communications with the coaching staff. He coordinated the development and implementation of the athletic Web site, and supervised the completion of several team and support facilities, including athletic-academic center.

Smith came to ECU from Virginia Military Institute, where he was the Associate Athletics Director. His responsibilities encompassed sport administration, NCAA compliance, finances, and game operations, as well as the development and implementation of the school's trademark licensing program. During his tenure, VMI hosted several conference championships, as well as the NCAA National Rifle Championships. He also was the Assistant Athletic Director for three years.

Prior to VMI, Smith's career includes positions at the University of North Carolina at Charlotte, UNC Chapel Hill and the Durham Bulls minor league baseball team. Smith received his bachelor's degree from the University of North Carolina at Chapel Hill, where he was a letterman for the Tar Heel football squad and a member of the 1974 Sun Bowl and 1976 Peach Bowl teams. After a brief time teaching and coaching high school athletic teams, Smith returned to Chapel Hill to earn a Master of Arts degree in Athletic Administration and has been named as a Distinguished Alumnus of that program.

A native of Siler City, NC, Smith and his wife, Gale, have two children, daughter Chesley (17) and son, Cort (13).

# Athletic Administration

## Brian Hutchinson Associate Director of Athletics

Brian Hutchinson begins his fourth year as associate director of athletics. His duties include serving as sport administrator for football, golf, baseball and volleyball, as well as the athletic training operation. He manages the day-to-day operations and annual budget of the department, and serves as ticket manager.

Hutchinson previously served as development director for two years, before assuming the post of director of development and marketing. Prior to that, he served 18 months as a regional development officer for the University and six months as a staff assistant in the University's Office of Development and Alumni Relations. In the 2000-01 year, he served an internship with the Ohio Valley Conference office, assisting with the league's baseball championships and summer meetings while earning a Master's Degree in Sports Administration.

A 1996 cum laude graduate of Morehead State University, Hutchinson earned a Bachelor of Business Ad-

ministration, while specializing in real estate. During his senior year, the Louisa, Ky., native served as the Student Government Association President and was a student representative to the MSU Board of Regents. He has remained active in the alumni association of Sigma Alpha Epsilon, and he holds memberships in the National Association of Collegiate Directors of Athletics, National Association of Athletic Development Directors, and CASE. Hutchinson was also instrumental with the development of the 2001-06 strategic plan and CHOICES GRANT. He has attended numerous development and athletics administration conferences and has been a presenter for the NCAA YES! clinic program hosted by the OVC. Hutchinson served as the championship director for the 2002 OVC golf championship, and assisted with the operation of the 2002 PFL Championship. He has also been the departmental manager for the renovation of the University Softball field and the installation of the Jayne Stadium scoreboard and Davis Soccer Field board.

Hutchinson and his wife, Elizabeth, have two sons, Benjamin and Riley, and they reside in Morehead.

## Jim Wells

### Compliance and Educational Services Director

Jim Wells, whose nearly three decades of involvement with Morehead State University athletics range from student manager to sports information director to coaching the Eagle softball team, is MSU's Compliance and Educational Services Director.

A two-time graduate of MSU, the 52-year-old Wells is in charge of monitoring the University's compliance with NCAA and Ohio Val-

ley Conference rules and legislation as well as the academic progress of Eagle athletes.

Wells is a life-long resident of Morehead. He is an avid golfer and certified golf rules official who has worked numerous state and regional tournaments.

# University

In 117 years, the sweep of history has carried Morehead State University and its predecessor institution, the Morehead Normal School, from one makeshift classroom to the high-tech world of Internet-based classes and a radio telescope which reaches from a campus hillside literally to the stars.

One student appeared on the first day of class in October, 1887, in a little, rented cottage where the Adron Doran University Center now stands. Tens of thousands of students have come from the foothills and mountains, the river towns and the hillside farms of East Kentucky and beyond to seek the means to a better life in this beautiful, forested valley. Our first president, Frank Button, and his widowed mother, Phebe, literally spent their lives bringing "a light to the mountains" by founding a church-sponsored school to train teachers. The institution came under state control in 1922 and achieved University status in 1966.

Today, Morehead State University has more than 9,000 students from 100 Kentucky counties, 42 states and 37 nations. They are enrolled on campus, at extended campus centers in Ashland, Jackson, Mt. Sterling, Prestonsburg and West Liberty, and several other locations in East Kentucky and across the globe through the World Wide Web. MSU has the state's best computer-student ratio in its computer laboratories and the campus is ranked among the safest in the nation.

Nearly 50,000 persons have received degrees from MSU. Nearly 80 degree programs are available on the two-year, four-year and graduate levels through four colleges (Caudill College of Humanities, College of Business, College of Education, and College of Science and Technology) and the Institute for Regional Analysis and Public Policy. Two-thirds of the faculty hold doctoral

# University

degrees. MSU supports its missions of teaching, applied research and public service through an annual budget of more than \$92 million.

Morehead State was the first institution in Kentucky to offer a complete degree program, the Master of Business Administration (MBA), totally through the World Wide Web. In addition, the University hosts graduate-level programs for nurse practitioners and physicians assistants through the University of Kentucky. The University has acquired a satellite tracking system in partnership with NASA in the ongoing development of the new Space Science Center.

Also, the University has the statewide mission of preparing adult educators through the newly-established Adult Education Academy for Professional Development. Preserving the region's cultural heritage is the primary responsibility of MSU's Kentucky Folk Art Center and Kentucky Center for Traditional Music.

Dr. Ronald G. Eaglin took office July 1, 1992, as the 12th president of the University. He previously served as chancellor of Coastal Carolina University and vice chancellor of the University of South Carolina at Spartanburg. Dr. Eaglin currently serves on the NCAA Executive Committee and is the senior state university president in Kentucky.

The University is located in the foothills of the Daniel Boone National Forest in Rowan County, midway between Lexington, Ky., and Huntington, W.Va., on Interstate 64. MSU is a charter member of the Ohio Valley Conference in NCAA Division I and sponsors 18 intercollegiate sports for men and women. The football Eagles compete in the Pioneer Football League. Our coed cheerleading squad has won 13 national championships and the all-girl squad has four national titles.

## The Ohio Valley Conference Sportsmanship Statement

**General.** The Ohio Valley Conference is committed to establishing sportsmanship and developing healthy environments for competition. This conference wants to lead the way in abolishing the notion that it is desirable to create a "hostile" environment for intercollegiate athletic contests. Instead, we will strive to create "hospitable" environments. We believe that part of the role of education through sports is to teach our youth and our communities to conduct themselves with sportsmanship and respect for opponents.

In an effort to achieve this goal, the Conference has developed this statement which outlines the expectations of the various groups and individuals associated with our intercollegiate athletics program.

**Administration.** It is incumbent upon institutional administrators to create an environment of hospitality for visiting teams, particularly for those individuals at Conference institutions. OVC administrators must develop the attitude that the treatment of a visiting team and its fans will be in the same manner that they would want their teams to be treated.

The athletics director at the host institution must ensure that he or she, or someone else designated as game manager, approaches the coach of the opposing team at a spectator event in order to welcome that coach to the institution, provided an opportunity for the coach to address and concerns, indicate the location of the game manager in the arena or stadium and identify security personnel to ensure that the visiting team is protected from abuse from the home crowd and that security is in very close proximity to the visiting team's bench. Each institution must arrange its seating at spectator events so as to emphasize sportsmanship and minimize the harassment of the visiting team and its fans.

The athletics director must ensure that those who are employed by the university treat the opponents with fairness and respect. For example, public address announcers must be required to announce the contest in an evenhanded manner with equal excitement for both teams. The institution's chief executive officer and athletics director should review periodically with other athletics department staff members, coaches, student-athletes and spirit groups (cheerleaders and bands) precisely what is acceptable conduct, as set forth in this document.

**Coaches.** Coaches have the greatest amount of influence over whether the young people in their programs are taught and follow the high principles of sportsmanship. The OVC has been benefited by coaches who have risked losing a con-

test by removing student-athletes who have demonstrated disrespect for the opponents. This discipline measure educates that individual and his or her teammates about the importance of sportsmanship over participation and winning. This type of attitude and courage must be adopted by all OVC coaches. Administrators and coaches must pay special attention to their student-athletes' behavior and continually emphasize the need for sportsmanship and respect. Such education is needed to counteract the constant messages received by our young people from many professional athletes and others who demonstrate a lack of respect for opponents. This Conference and its coaches are committed to teach messages that are appropriate about sportsmanship.

Coaches also have the ability to influence the behavior of their fans. OVC coaches must take every opportunity when addressing the media, booster groups or other public forums to express the desire for fans to support their team at home contests, but not to abuse the visiting team. Coaches and administrators should stress that the participants in our athletics contests are young people who do not deserve to be mistreated by a hostile crowd.

**Student-Athletes.** Respect for the game in which the student-athlete participates also demands respect for the opponent. Student athletes at OVC institutions are expected to treat opponents with sportsmanship.

OVC student-athletes must understand that they are perhaps the most visible representatives of their institutions. Also, their behavior is observed and emulated by many who are younger. OVC student-athletes must honor the responsibilities that accompany the privilege of representing our schools by behaving with dignity and class on and off the field.

**Spirit Groups.** Like our student-athletes, these groups are visible representatives of our universities. As such, we place high expectations on them for decent behavior. Cheerleaders, bands and other spirit groups are admitted to contests at the pleasure of our institutions to support their teams and assist in creating a fun atmosphere. They are not admitted in order to disrupt or confront the opponent and such behavior will not be tolerated. Their focus must be toward encouragement of their team and respect for the opposing team.

**Officials.** Officials who are assigned Conference contests must enforce the rules regarding sportsmanship, without tolerance for abuse. The only warning to participants and coaches regarding sportsmanship should come at the beginning of the contest. Once the contest begins, penalties (consequences), not warning, must be assessed for violations of unsportsmanlike conduct. Similar to the baseball policy of ejecting coaches for arguing balls and

strikes, the Conference will require that officials eject any coach who protests unsportsmanlike conduct calls, provided such ejection is permissible to the rules of that sport.

Each official assigned by the OVC will be provided a card with the following statement which must be read to the captains and coaches of every contest prior to the beginning of the game: "The OVC requires officials to enforce all rules regarding unsportsmanlike conduct by coaches and players. There will not be any tolerance for negative statements or actions between opposing players, especially taunting and baiting. If such comments are heard, a penalty will be assessed immediately. If any coach protests an unsportsmanlike penalty, he or she will be ejected for the contest. We have been instructed not to issue warnings during the contests. It is strongly suggested that you remind your participants of this policy." Officials who do not follow this policy will be subject to suspension.

**Commissioner.** The commissioner is expected to enforce the unsportsmanlike conduct rules of the game and the Conference. He or she is authorized to assess penalties for improper behavior that is not detected or properly addressed during the contest. Institutions and their personnel are expected to fully cooperate with his or her effort to investigate possible improper behavior.

In the unfortunate event that an altercation occurs during a contest, all individuals who are on the bench are expected to remain there. It is incumbent upon the head coach to ensure that this occurs. The commissioner is directed to suspend automatically the head coach of a team whose bench personnel enter the field or court of play during an altercation, regardless of whether those individuals become involved in the altercation.

**Fans.** The Conference hopes and believes that the establishment of the principles outlined in this document will create a wholesome atmosphere that will attract more fans to our events. The fans attending our games must be reminded by the public address announcer of the expectations of sportsmanship and respect for both opponents.

We expect that all fans will act in an appropriate manner, and respect the opposition and the officials. We understand that occasionally there are individuals who attend games and abuse the opposition and officials. Those individuals may be dismissed from athletic events.

**Concluding Statement.** The Conference believes that the effort to meet the expectations outlined in this document will increase the attractiveness at our athletic events by creating a healthy environment for our competition.

**Randy Stacy**  
Sports Information  
Director

Randy Stacy begins his 17th season as sports information director after serving 16 months in the MSU Development Office.

Stacy, a 1977 graduate of Morehead State University, is the former assistant sports information director at the University of Kentucky. While at UK, Stacy was responsible for all media and public relations for the men's basketball program as well as press row operations.

The 48-year-old Stacy served as men's sports information director at MSU for a brief time in 1977 before assuming a full-time position at Tennessee Tech.

The native of Carr Creek, Ky., and graduate of Carr Creek High School (now Knott County Central), also served as a graduate assistant in the Office of Public Information and was a news and sports reporter at WMKY radio while at MSU.

Stacy is a member of College Sports Information Directors of America (CoSIDA), the Morehead Optimist Club and Elliottville Baptist Church. He is married to the former Jeanetta Caudill of Morehead. They have two sons, Brad and Jared.

**Brad Laux** is in his sixth year as MSU's assistant sports information director.

## Broadcasts

Broadcast permission is granted to the official network/station of MSU opponents. For other outlets, broadcast permission must be secured in advance by contacting Randy Stacy, Sports Information Director. There is a broadcast line at Allen Field for use in a reciprocal trade-out agreement.

## Services

The sports information department will provide rosters, statistics and game notes. Complete play-by-play and statistical data will be available. Telephone lines are available in the press box and in the press room located in Room 156 of the Academic-Athletic Center. For more information contact the MSU SID office at 606-783-2500.
